Re: Cancellations of Insurance Policies

.....

During the week of May 13, 2018, Frederick and Washington Counties received unprecedented amounts of rain that caused significant damage to many properties in those counties and to the roads. Frederick and Washington Counties issued Local "States of Emergency." Because of this weather event, daily life for many Maryland consumers has been disrupted. To avoid cancellations for personal automobile insurance, homeowners insurance, and other personal lines of insurance; commercial insurance; and life and health insurance, the Maryland Insurance Administration encourages insurers to provide reasonable accommodations, including a grace period for premium payment, to policyholders that reside in and the businesses located in the following zip codes: 21701; 21702; 21703; 21704; 21715; 21718; 21755; 21756; 21758; 21769; 21779; 21782; 21793 and 21770.
