

Inland marine insurance - Northeast Region

Markel Global Insurance

Inland marine insurance - Northeast Region

Markel Global Insurance is dedicated to the specialized needs of sophisticated insureds and producers. Our underwriters bring meaningful expertise and advanced technical analysis to each transaction in the areas of casualty, professional liability, property, marine, and industry-focused practice groups. Markel Global Insurance offers customized solutions, single or multiline, and seeks to establish long-term relationships with clients.

Overview

At Markel Global Insurance, we have inland marine specialists working with you to provide for your customers' insurance needs. We are focused on maintaining a consistent, financially sound, and reliable market with the ability to quickly adapt to change.

Our marine team has one of the strongest leaderships in the industry. Together we have over 150 years of underwriting and management experience. We have extensive expertise in inland marine insurance and take pride in being innovative and creative with our comprehensive insurance programs on a worldwide basis. Our marine offices are strategically located to service our business partners.

We understand that speed to market is your key to success, and service is what you sell. In addition, we can help you determine when it makes sense to handle inland marine outside the package.

With years of experience in this diverse line of insurance, our underwriters will work closely with you to craft coverage for your client's inland marine needs.
